KARAWAN
Oriental Keyboard

The Karawan Oriental Keyboard has a library of sounds and styles created to be the perfect instrument for oriental keyboard players.

The 12 Arabic Scale tuning buttons are available for real time selection and it is possible to store up to 6 different Arabic Scale settings in the Panel Memories.

The 64 notes polyphony sound board offers the possibility of playing at the same time two sounds for the right hand melody and one sound for the sustained chord together with the Automatic Accompaniment.

The Style Library offers 30 Oriental Styles and 100 Western Styles. Each of the available styles has two Variations.

Each of the Styles (oriental or western) has its own factory set registration (AUTO SETUP) to ensure that each styles has the right sound automatically selected.
